PROFESSIONAL SUMMARY

Information Science and Engineering undergraduate with hands-on experience in Java, Python, MySQL, MongoDB, HTML5, CSS3, Git, GitHub, and Streamlit. Strong foundation in Data Structures, Algorithms, Object-Oriented Programming (OOP), DBMS, Operating Systems, and Computer Networks. Developed an AI-powered Resume Evaluator using NLP techniques and completed practical MongoDB training. Seeking an entry-level Software Developer role to build scalable and efficient software solutions.

TECHNICAL SKILLS

Programming Languages: Java, Python

Web Technologies: HTML5, CSS3

Databases: MySQL, MongoDB

Libraries/Frameworks: Streamlit, Scikit-learn

Tools: Git, GitHub, VS Code

Core Computer Science: Data Structures, Algorithms, Object-Oriented Programming (OOP), DBMS, Operating Systems, Computer Networks

Concepts: Natural Language Processing (NLP), TF-IDF, Cosine Similarity, CRUD Operations

PROJECTS

Automated Resume Evaluator Using NLP

- Technologies:** Python, Streamlit, Scikit-learn, TF-IDF, Cosine Similarity
- Developed an AI-powered resume evaluation system that compares resumes with job descriptions using Natural Language Processing (NLP).
- Implemented TF-IDF Vectorization and Cosine Similarity algorithms to calculate resume-job matching scores accurately.
- Designed and developed an interactive Streamlit web application for uploading resumes and generating real-time evaluation reports.
- Improved resume screening efficiency by automating text preprocessing, similarity computation, and candidate ranking.

TRAINING

MongoDB Practical Training

Jun 2025

Bapuji Institute of Engineering and Technology, Davangere

7 Weeks

- Completed intensive hands-on training covering MongoDB architecture, CRUD operations, indexing, aggregation, and document-oriented database design.
- Designed scalable NoSQL databases using efficient data modeling techniques to optimize read/write performance and improve application scalability.

CERTIFICATIONS

HTML and CSS – Udemy (2025)

Java Programming for Beginners – Simplilearn (2026)

SQL (Basic) – HackerRank (2026)

MongoDB Practical Training – Bapuji Institute of Engineering and Technology (2025)
